## To Expedite Your Review

- All submittals must be accompanied by an Application for Child Care Plan Review (BCCFS-13) completely filled out.
   Provide all requested information.
  - An "n/a" designation is helpful for areas where information does not pertain to the project.
- Only **ONE** set of construction documents or related specification drawings is required.
- Plans must be sealed by an architect or engineer registered in the State of Michigan where required by law.
- All floor plans shall indicate exit locations, identify all room uses, and sprinkler coverage, if any.
- Furnish approved design numbers of all fire related assemblies.
- Changes to previously reviewed drawings must be specifically brought to our attention for review and comment.

## **Project Description**

Please indicate the floor or work site to assist in identifying the project location, as well as:

- The architect's or engineer's project number.
- Square footage of new building, addition, remodeling, etc.
- · Square footage of an existing building.
- Project Scope (description of project).
